

ADMISSION

The college handles applications with the framework of its Admission and Equal Opportunities policy. The admission process begins soon after the publication of the +2 results and other boards recognized by Tribhuvan University. The college provides counseling services and information about the courses throughout the year. The admission process, eligibility and criteria have been explained in detail below:

Admission Criteria:

- For BBA-: must have minimum grade "D+" in each subject of 11 and 12 with CGPA 1.8 or minimum score of second division marks in 10+2, PCL or equivalent in any discipline. They will be required to pass the CMAT exam as per TU regulations.
- For BBS/BA/BSW-: complete intermediate level (PCL or NEB 10+2) or equivalent in humanities, management, science, education or in equivalent course from any board or university recognized by Tribhuvan University.

I feel proud by introducing myself as a member of Campion family. It is one of the best decisions I've ever made. Continuous motivation and support from faculty members always encouraged me to give my best. The management and faculty members helped me to a greater extent to overcome my fears. Class activities as well as guest lecturers have given a great opportunity to broaden my knowledge and Center of Excellence has proven to be the plus point of joining the college. Campion College educates us in a creative way and encourages us to think out of the box.

"It is always challenging to discover what you actually want to do in your life - specially on your 20's. It is, therefore, very important to dig into yourself and understand your core interest. I was always curious of how multiple businesses were taken care of. Fascinated by all the business tycoons, I started to develop my interests on the sector of business which is why I choose BBA program in Campion College to enhance my career. The outstanding hospitality and enthusiastic teachers have always been the source of inspiration and motivation for the students to do better. The different programs organized by the college like guest lectures, job placement trainings, self development programs have kept student motivated, encouraged, learning and focused. I am forever grateful towards Campion College and its entire team for always being there for me, guiding me, supporting me and helping me grow and do better throughout my journey I shared with Campion College.

"The strong foundation of career is built in an institution like Campion. Not just theoretical learning, the encouragement and psychological boost provided by the institution has always been a part of my memorable journey. It is the beginning of my career, a beginning of a challenging outer world. And I'm thankful for the institution for providing me the courage and confidence to face the outer world with a steady mind and strong heart."

Campion College

Campion College is a unique and captivating place, and the college is a key part of its charm. Campion College embraces sustainable development across all of its operations, fully integrating it into all that we do. We have a mission to be recognized locally and internationally as an international class institution that leads by example, actively implementing imaginative solution and initiatives that achieves the aims of more sustainable society.

Campion College, popularly known as CC, was established in 1997 and is affiliated to one of the prestigious universities of Nepal, Tribhuvan University. The College blends the best from both the industry management and the academics. College makes sure that all the students would go through all 6 Centres of Excellence and would have the ability to stand strong in a competitive job market.

Our Vision

Empower to create an international standard student community; assist and encourage them in becoming more creative and life-long learners to become successful in the chosen field.

Our Mission

1. To provide quality and pragmatic education, which would address today's needs
2. To create an interactive, innovative & challenging, student friendly learning environment
3. To provide literary blend of activities

Objectives

1. To encourage them to continually strive for excellence, prioritizing their field of interest.
2. To value and judiciously use their freedom
3. To live, lead and serve their fellow - men and country selflessly.
4. To become an agent for social change in their country.
5. To pursue a career of the highest challenge
6. Removing the gap between Academics and Corporate requirement
7. Motivate students towards creating more jobs, than being one of an employees of the organization.

Ms Rupashree Niroula
